

The Railway Station Gallery Exhibition Application and Guidelines

Submission Requirements

The body of work to be exhibited must be a cohesive collection of current work not previously exhibited in the Ottawa Valley . There are two galleries at The Railway Station. They are referred to as the upper gallery and the lower gallery. Artist may apply to exhibit in either galleries or both. The jury will take this requests into consideration but we can not guarantee the request.

1 Artist statement

Please include an artist statement.

Your artist statement should focus on the philosophy and concepts relating to the exhibit you are proposing and should mention the unifying concept of your cohesive body of work. It should describe your creative process as well as any larger social issues, etc...Your statement should not be longer than 300 words.

2 Exhibition Proposal

Please include an exhibition proposal.

While your artist statement deals with the philosophy of the exhibition, your exhibition proposal will explain the practical details of the exhibit. The exhibition proposal should be no longer than 600 words and should discuss: the number and description of pieces involved, how they will be presented/mounted, any special installation requirements, interpretive materials, whether or not they will be for sale (The Railway Station Gallery retains 25% commission). You may also include sketches to support your proposal.

3 Artist CV

Please include a CV/Resume

4 Representative Work

Please include 5-10 images of your current work.

You may submit digital images on CD or USB. Please format them as JPG at a minimum of 300 DPI. You must include an image list containing name, medium, size, and year the work was made. The images you submitted must be representative work completed within the last 2 years. Three of the images should be of work in the proposed exhibition.

Submission Deadline for 2018 exhibitions: Friday Oct 6/2017
